

Self Service Portal (SSP) for Suppliers

SSP

is a global tool, **available 24/7**
for suppliers delivering goods and
services to PMI entities.

This is a free-to-use and fully secure tool which allows suppliers to:

Track statuses of their
invoices anytime and
anywhere,

Raise any invoice-related
query with Accounts
Payable Helpdesk,

Submit invoices
(for selected regions),

Check the frequency of
payments.

Registration to the portal is possible only via unique invitation received via email.
If you have already received invitation, registration process can be
completed [here](#)

Suppliers who would like to obtain an access to SSP - please contact us at:
PMISelfServicePortal.PMIFIN@pmi.com.

Generation of the unique invitation based on Supplier request may take
up to 2 working days.

If you are already registered user and would like to invite your colleagues,
please go to "Invite others" function, located on SSP home page.
